

Stock the Store

AT HOMER 413

By adopting our store for a month, you will ensure that the access to resources and relationships happening at Homer 413 continue indefinitely!

HOW TO HELP

GATHER YOUR PEOPLE

You and your group collect roughly a month's worth of supplies for the store. You can get creative in how you do this by using social media, asking friends or family, contacting businesses, etc. Below is a list of items that we need.

Food

peanut butter, tuna, vienna sausage, canned chicken, chili, soups with meat, ravioli, canned fruit, rice, cereal, granola bars, peanut butter crackers, powerade, hot chocolate

Household Items

shampoo/Conditioner (for all hair types), lotion, bar soap, body wash, hand soap, feminine products, toothpaste, deodorant, shaving cream, razors, toilet paper, paper towels, bug spray

Clothing (all new)

socks, undershirts, underwear (men's & women's), bras, hats, gloves

BRING THE ITEMS

After you collect lots of great stuff, we would love for a few members of your organization to come and help us stock the store. Since we are all working together, it shouldn't take too long!

SEE HOW IT WORKS

You will often hear us say, "people need people more than they need things." This may seem odd since we are always collecting donations. We want to share the "why" behind what we do and how relationships and resources work together. After we organize the store, we invite your group to join us for a short info session where we will explain our why and answer all of your questions.
